For your legal team, call Kemp, Ruge & Green.

How are you handling your current situation and what can we do to help? Your answers are where we begin. Our client-focused law firm puts you at the forefront. We keep you informed every step of the way so you can concentrate on getting yourself back together. Whether you're dealing with an auto accident, personal injury, family law or a criminal matter, our top-notch legal professionals are ready to assist you.

Our mission statement is to relentlessly pursue protecting our clients and improving our community, with respect, communication and service. When you hire our firm, every aspect of your case will be handled according to those words.

Both Martindale-Hubbell and Avvo, two of the leading lawyer directory services, have recognized our firm for excellent client satisfaction. These awards are based solely on the testimonials of previous clients. These clients -much like you- were looking for excellent representation to get them through a rough time. Not only did we provide that for them, we did so in such a way that they wanted others to hear about our great work and how happy they were to have hired us.

We are attorneys that take care of our clients. Additionally, our firm has attorneys who have been inducted into both the Million Dollar and Multi-Million Dollar Advocates Forum. This elite group consists of less than one percent of all attorneys nationwide. To be selected to this Forum, an attorney must have served as principal counsel in one or more cases which resulted in a final judgement, award or a settlement in favor of his or her client in the amount of one million dollars or more for the Million Dollar Advocates Forum or two million dollars or more for the Multi-Million Dollar Advocates Forum. We have the legal knowledge to ensure you get the best possible outcome for your case.

Lastly, our firm is committed to this community. We have donated to more than 60 different nonprofits, schools, sports teams and other local charities. When you choose us, you choose a firm making a difference in your community.
